I WILL FIGHT FOR YOU

**Through darkness of night
wipe the blood from my face
quite the tears
remember their pain**

**Feel the rage
despising evil that inflects
silence is not now
a war is afoot**

**They lust for innocence
they steal the dream
close your eyes
you can't stop seeing**

**Cloaked in skin of secrecy
drenched in red emotion
dark grin does crack
they love the hollow, faded they
are**

**Sons and daughters of ancient
hate
smeared with filth
stained with guilt
lost forever empty shells**

**Peel back the cover
Down them now
they know nothing else
they love the hollow, faded they
are**

**Fight dear saint
stained with grace
fire burns
compelling love**

**No time to gaze
let fly the prayers
sink your grip
muster power divine**

**tick tic
the dark ones know
sickle will swing
tremble hell tremble**

**I will fight for you
distance seals nothing
wrapped in light**

**righteous rage I here your
scream**

**I will fight for you
though nothing I am
I know another
once bruised He reigns**

**Set my face
swell my strength
those who cannot
He shall loose**

**I will fight for you
till snatched away
I will fight for you
till white robe I wear**

**You are worth the battle
Cross does speak
wood between the worlds
door of mercy do not close....no
not yet**

**I will fight for you
value of heaven
I will fight for you
nothing else can buy**

**I know another
once bruised no more
rescue rages
He will not fade**

**He fights He fought
He lives He feels**

**He knows
all the tears He can stop**

**I will fight for you
don't lose sight
glory shall come
new day arrive**

**King Forever
let kingdom come
finish terror
let peace reign**

**King Forever
you fought for me
cannot let drift
so like You
I will fight for them ©**
