

RAGGED EDGE RADIO

Preview/LIVE NOTES

For January – February 2020

These messages (live and audio mp3) will be coordinated with and a companion to the **BOOK OF ACTS: Field manual for the end of days TRAINING COURSE**. Throughout January Russ will add more to the book of Acts training that goes with the workbook and add these messages to the book of Acts web page as additional audios. Some of these audios will be part of the workbook on Acts and Russ will notify you on each audio if that is so and what page (s) in the workbook they would go.

Pray this series up much and expect to be engaged by God and clothed with His Presence & Power. And it that is so expected to become the fruit bearing 'powerhouse' God designed you to be.

I believe many will experience revival, God's overwhelming presence, healing, help, be set free, restored and more. I also believe that many believers will launch out in faith and become and stay the powerhouse God intended. From these two months of 2020 people will get saved, Jesus will heal and deliver folks and others will be clothed with such power that they will blaze a trail into the future that will produce amazing effect. Triumph over the world, the flesh and the devil will be experienced (O Victory in Jesus) and many will turn to Jesus.

And yes, you can expect satanic/demonic interference but those who grow in the word and live their stand in Christ will 'overcome the evil one' and demonstrate just how strong and fearless a believer can become.

Are you ready for an astounding 2020? Tune into the www.theraggededgeradio.com live missionary broadcast daily (M-F) or get it all from the archives.

Here is a basic outline for January and February (Each MONDAY the final draft of the LIVE NOTES for that week will be loaded and ready for your download/or print them out. So wait until each Monday to get the final fixed LIVE NOTES for the day/and week.

Keep me in prayer and let's trust that God will save, heal, deliver and bring about His astounding miracles.
